NOTICE

2011 COMPOST SITE OPERATION

The Compost Site on Elm Street is now open Monday through Friday: 7:45 AM to 3:45 PM.

Beginning this Saturday March 26, 2011, the Compost Site will also be open on Saturdays.

Residents that are members of the Town's trash collection program with American Waste Systems can continue to use their previously issued red stickers at the Compost Site.

Residents that are not members of the Town's trash collection program must visit the Highway Department and pay their annual \$25 fee and obtain a new 2011 sticker with a "P" (paid \$25 fee) designation. The Seniors from the tax reduction program and the Highway Dept. employees that monitor the site will not allow vehicles with the 2010 "P" designation sticker into the Compost Site.

The Town is continuing with the proposed relocation of the Compost Site to the Landfill on East Belcher Street and operation by a private contractor. At this time residents and landscapers should assume that the private operation will not occur until July 2011.

Commercial landscapers will be charged a \$350 fee for the period from now through June 30, 2011. Landscapers shall be provided with information regarding charges after June 30, 2011, when the operations contractor has been selected for the Compost Site.
